

# OFFER LETTER

**Date:** 21 May 2025

**Subject:** Offer Letter – Tech Lead Intern, Summer of AI 2025

**Dear Hanvith Sai Alla,  
Greetings from Viswam.ai!**

We are delighted to offer you the position of Tech-Lead Intern as part of the prestigious Summer of AI 2025 (SoAI) internship program, organized by Viswam.AI.

Your prior contributions and volunteer work with Viswam are recognized and appreciated. This internship offers a valuable opportunity to further develop your technical expertise and leadership capabilities.

This volunteer internship is designed to foster innovation and collaborative development. AI systems. You will be working alongside a passionate cohort to learn and help advance AI systems.

## Internship Details:

- **Role:** Tech-Lead Intern
- **Duration:** 6 - 8 Weeks (Planned internship breaks allowed for exams/emergencies.)
- **Mode:** Hybrid (in-person + remaining remote work)
- **Start Date:** 24th May 2025

## Key Responsibilities:

During this internship, you are expected to:

- Lead the development of AI pipelines using Python, NLP, and Transformer architectures
- Guide and contribute to the training and fine-tuning of AI models
- Contribute to Indic language dataset curation, annotation, and model evaluation
- Collaborate on building impactful AI solutions that support local languages and communities
- Participate in deploying AI systems that demonstrate societal impact at scale

Viswam.AI, a joint initiative by Swecha & IIITH, organizes the Summer of AI program in collaboration with Meta, TASK (Telangana Academy for Skill and Knowledge), and HYSEA (Hyderabad Software Enterprises Association).
