Dear Applicant,

### 🎉 Congratulations!

We are delighted to inform you that you've been selected as a **Tech Lead Intern** for the prestigious **Summer of AI (SoAI) 2025** program. Your exceptional performance during **AI Hack Day** and your passion for building impactful, community-driven technology have earned you this opportunity.

You will be working with a dynamic team to build **Telugu-centric Large Language Models (LLMs)**, contributing to the future of **Indic AI**.

### 💻 Reporting Instructions

You are required to report for onboarding at the Swecha office as per the details below:

- 📅 **Date:** 15-05-2025 (Tomorrow)
- 🕒 **Time:** 9:00 AM
- 📍 **Location:** Swecha Office, Gachibowli, Hyderabad

### 🗣 Internship Overview

- 📅 **Duration:** 8 Weeks (Planned breaks allowed for exams or emergencies during internship)
- 💻 **Mode: Hybrid**
- Minimum 4 days/week in-person*
- Remaining days remote*
- Start Date:** 15-05-2025
- Focus Areas:**
- Python for AI
- NLP & ASR
- Retrieval-Augmented Generation (RAG)
- Dataset Curation

- Telugu LLMs & Indic Language AI
- Model Training & Prompt Engineering

This is a **voluntary internship** with an open-source and social impact mission — building inclusive and accessible AI systems for Bharat, with a strong emphasis on **Telugu language Technology**.

---

### ⚙️ Before You Report – Action Required

To hit the ground running, please ensure you complete the **developer environment setup** before reporting tomorrow.

#### 💡 Setup Guide:

👉 [https://code.swecha.org/soai2025/techleads/tech-lead-responsibilities/-/blob/main/devsetup.md?ref\\_type=heads](https://code.swecha.org/soai2025/techleads/tech-lead-responsibilities/-/blob/main/devsetup.md?ref_type=heads)

Make sure your laptop is ready with the necessary tools and configurations. This is mandatory and will help ensure a smooth onboarding process.

### ❓ Questions?

Feel free to reach out at: [internships@viswam.ai](mailto:internships@viswam.ai)

Once again, congratulations on being selected. We're thrilled to have you join us in this exciting mission to shape the future of AI for our languages and communities.

Let's build something incredible — together. 🚀

Warm regards,  
**Team Summer of AI 2025**
